

FLAME OF LOVE FEAST DAY, FEBRUARY 2, 2011

VIRGIN MARY - "On the feast of Candlemas my dear beloved sons will introduce the Flame of Love of my Heart in a procession so that it may become a burning flame in hearts and souls. May everything be prepared in such a way that it spread like wildfire and the souls I have chosen be ready for the great mission." (May 4, 1962)

VIRGIN MARY - "I'm asking the Holy Father to choose February second the feast day of Candlemas to also be the feast day of the Flame of Love. I do not want a distinct day for it." (August 1, 1962)

**APRIL 13, 1962 – APRIL 13, 2012 – 50 YEARS ANNIVERSARY
of the first message from the Blessed Virgin Mary**

Elizabeth: "I asked the Virgin Mary to engrave in my heart the Holy Wounds of Her Holy Son and urged Her to have forever more compassion for us. I then started to weep uncontrollably as I could feel the indescribable pain and the sobs of the *Mother of Sorrows* deep in my heart. She truly gripped my heart."

Sobbing She said: "So many sins are committed in this country, my little Carmelite. Help me saving it and for this purpose I'm placing a Beam of Light in your hand; it is the Flame of Love of my Heart. Add your love to this Flame and pass it on to others." (April 13, 1962)

the National Coordinators of many
countries**

During this international meeting, we got acquainted with the coordinators of the following countries: Hungary, Germany, Brazil, Mexico, Nicaragua, El Salvador, Peru, Ecuador and the United States. Every one of them testified to receiving the call to serve Our Lady of The Flame of Love in his or her respective country, and gave a brief statement of the activities that make this Work progress ; they also provided the recognitions obtained by the authorized representatives of the Catholic Church. In all, about thirty persons - including twelve priests - were able to attend.

The National coordination of Hungary had planned a very busy program divided into three categories.

PROMISES MADE TO BLIND SATAN

Virgin Mary - «*Communicate my cause to your spiritual guide; whom in turn can pass it on to the leading Bishop of the country and eventually to the Pope, vicar of my Holy Son. There has never been a time of grace such as this ever since my Son was born. The blindness of Satan will shake the world.*» (Spiritual Diary, September 3, 1962)

Virgin Mary: “*Attending Holy Mass while under no obligation to do so and being in a state of grace I will blind Satan during that time. My graces will flow abundantly on those souls you offer the Mass for. Whenever Satan is blinded and devoid of his power, he’s unable to do anything. Participation in the Holy Mass is what helps the most to blind Satan.*” (November 22, 1962)

Elizabeth said: «As I was beginning to ring the bells for the six o’clock mass, softly the Virgin Mary said: “*Throughout the day you should offer your daily chores for the Glory of God. Such offerings while in a state of grace, also contributes to blind Satan. Live in accordance with my graces and Satan will be blinded evermore so within a forever increasing range of action. Take advantage of the abundant graces to make a multitude of souls live a holier life.*” » (November 30, 1962)

Jesus said: “*Blinding Satan means the universal triumph of my Holy Heart, liberating souls, and preparation of the salvation road to the fullest.*” (November 13-14, 1964)

Elizabeth said: «During the afternoon I struck a match to get the fire going and the Lord said: “*You’re also like this match. You lighted up because I wanted it so, and you will inflame the world as a single matchstick because God wants it so. You’re an instrument like the matchstick and don’t be surprised when I say a single matchstick.*”

“*I will light up in millions of souls the Flame of Love of My Mother, which Satan cannot extinguish. He’s getting his fuming, hateful, spiteful works of perdition ready but to no avail. A single matchstick lighted up by My Mother will be sufficient to blind Satan and you are that matchstick.*” (January 16, 1966)

PRAYER OF JESUS’ ETERNAL THOUGHTS

ELIZABETH – The gentle Redeemer asked me to recite with Him this prayer which expresses His most ardent thoughts:

May our feet journey together,
may our hands gather in unity,
may our hearts beat to the same rhythm,
may our souls be in harmony,
may our thoughts be in unison,
may our ears listen to the silence together,
may our glances melt in one another, and may our lips beg Our Heavenly Father, together,
to obtain Mercy.

I made this prayer entirely mine. He meditated it so many times with me, saying that such are His eternal desires. He taught me this prayer that I might teach others. Let us endorse His eternal thoughts, His ardent yearnings, with all our strength and all our mind. Having asked for this, the Savior added:

“This prayer is an instrument in your hands, for in working together with Me this way, Satan will remain blind and because of his blindness, souls will not be induced to sin.”

(Spiritual Diary, May 4, 1962)

OTHER PLACES OF WORSHIP VISITED

*Basilica of Esztergom (Diocese of Cardinal Peter Erdo)

The Saint-Joseph House is the National Coordination Center in Hungary, and also the home of the Flame of Love community which is composed of Sisters Ildikó Szöllősi, Patricia and Agnes. Led by Sister Ildikó Szöllősi, who is also the Coordinator of Europe, we visited along with Tibor other sites and churches visited by Elizabeth during her life.

Marcel, Christine and Tibor

WITH FATHER RONA, INTERNATIONAL SPIRITUAL COORDINATOR

Residing with the Sisters allowed us to be surrounded by their brotherly love. It also facilitated our meetings with Father Gabriel who lived nearby. The Holy Mass at the Church of the Sacred Heart of the Jesuits, the meetings at the Monastery, the tram travels; the discoveries of the Hungarian dishes were all many opportunities to clarify our ideas for the advancement of the Flame of Love Movement here and elsewhere. Thank you Father Gabriel for your generosity!

When Elizabeth died in 1985, her secretary Tibor Begyik was 39 years old. He was part of the Carmelites Third Order, as was Elizabeth. Tibor was chosen by the Virgin Mary to help Elizabeth because of her little education, especially when, at the request of the Lord, she had to take the messages she wrote down to her spiritual director or to the Bishop.
