

of visitors came. Hope you can use them.

Also of note, each Tuesday we have been praying the Flame of Love Rosary after the 9AM Mass, varying the Meditations. Many who saw the Images on the Altar Cloth also were taking pictures with their phones.

Some photos showed the Lion of Judah - partial view on face of Christ + beam of light coming from Bl. Mother. Our Church has skylights over the Altar - so some photos came out brown colored / others more gray / dark.

We are ever so grateful a visit was made to our Church on the Feast of the Bl. Mother's Visitation - while we were praying the Flame of Love Rosary & Meditations. We (prayer group) have been Blessed, more members have been praying the prayers & for the souls in Purgatory.
