**Joanne & Lim Family received Mother Mary
from August 9-25, 2021**

On 9th August 2021, I'm humbled by the visitation of FOL Mother Mary to our humble home and it is with utmost gratitude to Adeline for making this happen.

I am delighted that my hubby and youngest daughter joined me in welcoming Mother Mary to our home by praying the FOL Rosary together, it was first time for both of them praying the FOL Rosary. My eldest daughter was not at home as she was working. I have been praying for hubby's safe return from overseas, my youngest daughter's new start in Uni life and eldest daughter's work in healthcare.

Throughout the 18 days that FOL Mother Mary was in our home, I felt the sense of Peacefulness and compelled to pray the FOL Rosary every day. Due to my busy schedule, I was not able to fix my Rosary praying times and sometimes it was at mid night! Some days, after praying, I noticed my dog Kylo was observing me while I knelt before Mother Mary at the altar to say my Rosary, he was really curious, but observed from afar, as though he knows that he should not disturb me.

On the day that Mother Mary was leaving for another home, I am overjoyed that my hubby and eldest daughter was available to pray the FOL Rosary together as a Thanksgiving for Mother Mary's visitation, my eldest daughter was on off day, it was her first FOL Rosary too.

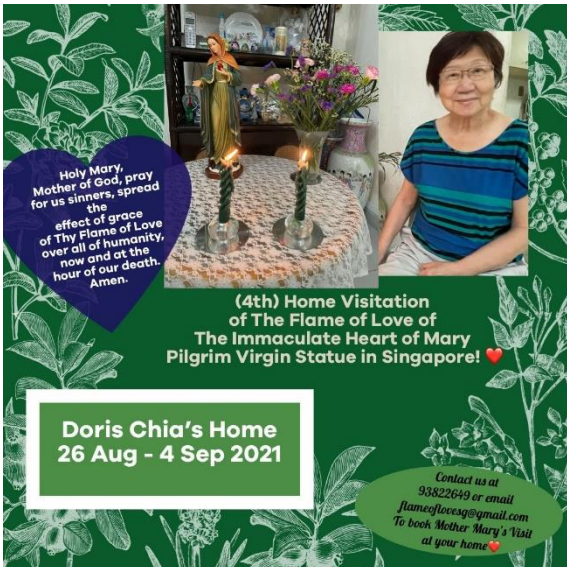

I am very thankful for this wonderful and Peaceful experience and look forward to welcoming FOL Mother Mary's visit again.

Joanne Lim

[illegible]

Praise to the Lord, Jesus & Mother Mary, for the miracles over the last 2 years since I started praying FOL, from getting married in church to getting my husband to be Baptised... during this pandemic period.

Jesus: Look at my disfigured face and my tortured body.
Did I not suffer for you? Believe in me and adore me." I made acts of faith
and asked never to be separated from him. After this, I felt secure.
Everything changed and I was drawn closer to him.

Jesus said to Kindelmann, "My Mother is Noah's Ark," and Mary told her, "I assure you, my little one, that I have never before given into your hands such a powerful force of grace, the burning flame of the love of my heart. Ever since the Word became Flesh, I have not undertaken a greater movement than the Flame of Love of my heart who rushes to you. Until now, nothing could blind Satan as much. And it is up to you not to reject it, for this rejection would simply spell disaster."

Thank you. Mother Mary is so beautiful. Thank you for bringing Mother Mary to my humble Home.

Where do I start! I was searching to be part of devotion group that would bring peace to my heart.

It all started on 21st August 2021, when I came across a beautiful devotion on IHM website called the “FLAME OF LOVE ROSARY”. I was captivated with the whole prayer from Sign of the Cross 5 times, Unity Prayer, Hail Mary response was different from normal Hail Mary “spread the effect of grace of they flame of love over all humanity” that I recite to and other prayers were also beautiful and my calling was great. I reached out to Sister Adeline and she really captivate my message and this beautiful devotion.

heart with Elizabeth Klingemann Diary's message and this beautiful devotion.

On Aug 9 2021, I was suffering from a bad bronchitis after my second vaccination and my lungs was fill with phlegm and the doctor and team said it quite bad. And they had to use a Phlegm Suction Machine to remove my Phlegm which is a painful process which I have do every alternate week for 6 months. On 31st August, I met Sister Adeline, we had in deep conversation about The Flame of Love of the Immaculate Heart of Mary and she passed me few brochures, books and prayer cards to get me started and to understand how to proclaim this beautiful devotion The Flame of Love Immaculate Heart of Mary. I would say it was a perfect timing by the Holy Spirit, Mother Mary and Jesus to kindle my heart.

I was attended Healing Rally Devotion in Malaysia on 4th Sept and 7th Sept attended the Flame of Love Rosary and I got a message or sign that I would be heal completely and told in your next visit to you will be heal completely. I have already gone for 3 Phlegm Suction Machines and x-ray. To my doctor's surprise, my lungs were completely healed, and the x ray showed clean beautiful lungs and at that every moment, I knew the Holy Spirit and Flame of Love Immaculate Heart Mother Mary had heal me completely.

I quickly booked a mass on 8th September 2021 to give thanks on her Birthday. And then, my mission started, by saying YES (3 times) to Adeline, I will preach about the Flame of Love to the west district and to spread her FLAME OF LOVE to all who I met. As of now, Mother Mary has visited 4 homes, and all them are received healing, grace and flame of love in their hearts.

Lastly, the most beautiful event was when I took part the “2000 Flame of Love Hail Mary(s)” on 30th October 2021 represented by Singapore, UK and Philippines, it was so amazing and there are no words to describe. The Holy Spirit and Mother Mary were guiding us and praying to save souls in Purgatory and Living Souls who are our family members, friends and who are sick)

Lastly, Mother Mary is in our heart as we are her children. We only need to Ignite this Flame of Love in our hearts to Let Mother Mary to heal and love our beautiful hearts.

Amen.

Vivien also shared her testimonial of the 9 Days Novena:

On 13th September 2021, Sister Adeline brought the Flame of Love Immaculate Heart of Mary Statue to my humble home. While Adeline and I was praying the Rosary, something happened to both of us and we received the same message from the Holy Spirit. I kept this message in my humble heart during the nine days of Novena.

On 22nd September 2021, at 1 am, I will come out from my room and light up 3 candles to see her Mother Mary's beautiful face. I had a strange feeling that Mother Mary's hand was reaching out to me and saying to me, “don't lose heart my child for I am here for you and your loved ones.” I just sat the whole night just saying, “Thank you for being my Mother”, and I also remember reading from Elizabeth Kindelmann dated Nov 17, 1962 “I woke up early that morning when I heard my guardian angel saying: “The angels and the saints are looking at you with great admiration.”

He asked me to increase my profound adoration and praised for the Divine Majesty: “Because rare are those chosen to receive graces to that extent.” Upon hearing those admonitions, the burden of my sins weighted upon me. I felt so unworthy of this abundance of grace that the effect of grace of the Flame of Love of the Blessed Virgin pours out over me”.

The nine days was so fruitful, as Mother Mary's graces were pouring out to my family members and friends who have asked me to intercede on behalf of them. And then, my mission started, by saying YES (3 times) to Adeline when she asked me to join her to help Mother Mary & Jesus in this Holy Project.

Monica and family received Mother Mary from 26 September to 7 October 2021

Sis, I actually I reluctant to share just to kept it between my family but without Holy Spirit, He urged me to share and proclaimed it but what I said it true, my habits while I pray, I like to closed my eyes and focus on prayer. While I closed my eyes there, I saw a beautiful woman and Jesus and quick I open my eyes and the images disappeared that is 3rd while I saying my Novena Devotion of FOL. I thought maybe just imagination only and continue my prayer without telling my husband and my daughter.

But on 7 days Our Mother appear again and this She was alone but She wearing a white shining beautiful long dress and She smile

sweetly. After I have finished prayer, I told my husband and daughter that while we pray, I see our Mother Mary through my eyes I had been praying without fail Rosary prayer everyday.

Sometimes when I am not feeling well or busy and I can't pray the next day I will pray double and told our Mother Mary I am sorry that yesterday I am unable to pray with deepest regretably I believe and trust Her,

She is our Mother who are always love and compassion to all Her children. (October 8, 2021)

Caren and family received Mother Mary from 26 September to 18 October 2021

I had the pleasure of receiving the visit of Our Mother - Flame of Love from the 26 September to 18 October 2021 at home with my family. Definitely a much-welcomed time to spend with Mother Mary as she continues to support each one of us in our struggles and as she can give us her grace to continue our journey ahead when we go to Her.

For me, Mother Mary's presence at home never fails to bring comfort, peace and unity and it also creates the moment that we can come to her and pray the rosary as a family and as friends all welcomed together.

During this time of FOL visit, I was also able to spend time to understand more about what is shared from the Flame of Love messages given to Elizabeth Kindelmann since 1961. I am grateful and reminded of the importance and wonder of the Holy spirit that has made the start of the Ministry of the Flame of Love at the Church of the Immaculate Heart of Mary in Singapore possible.

I am looking forward to many more conversions and testimonies through the Flame of Love from the Immaculate Heart of Mary.

May God's love and mercy prevail. May we all never lose our Hope! Great is His faithfulness.

May 24, 1962, Mother Mary said, My little Carmelite, in the silence of the night, I want to speak with you. Pay attention to what I say, but continue to rest. You know how my heart is burning in pain. Satan is sweeping souls away in a terrifying way. Why do you not all try your best to stop him and do it as soon as possible? I need your help. My heart is burning with sorrow because I see how many souls are being damned. Many are dragged away in spite of their good will. With a sarcastic smile, the Evil One extends his arms, and with terrible malice, he drags away from the Divine Son suffered unspeakable torments and death. Please, help!

The Lord Jesus flooded me with extraordinary sufferings. I was bent over when I weathed, and a fear of death took hold of me. The Lord said, "Do not grow tired of these sufferings."

Gradually, the sufferings lessened and the Lord said, "Suffer with a smile. Let no one know and let no one see. This is our secret." At that moment, I felt as if my soul separated from my body.

Many times, the Lord said, "Sorrow for your sins produces bank interest here on earth." I felt bathed my soul in indescribable happiness. His longing for souls burned with a fire that constantly grew within me.

2nd Testimony on 30 Nov 2021

Dear Adeline, good morning🌻I just want to share this tremendous grace which I received on 29 Nov. If I keep it to myself, my heart will burst I think😊I was baptised on 29 Nov 1991. So, this year is my 30th "anniversary". I wanted to remember the day with a special devotion. However, I was so caught up with the 2000 Hail Mary's on Saturday and so filled with joy (even now💕) I totally forgot about 29th Nov. The grace that I received was this. I woke up unexpectedly at 2.45 AM on 29th Nov. And ever since I started praying the FOL Rosary, I make it a point to pray whenever I wake up unexpectedly at night. It's my cue that Our Lady wants me to pray🙏So at 2.45 AM on 29th Nov, I decided to offer a holy hour. I prayed the Stations of the Cross, the Divine Mercy Chaplet and ended with FOL Rosary - Joyful Mysteries. I finished a little after 4 AM and went back to sleep🙏 So 29th came and went. But yesterday (30th), it finally dawns on me that I have totally forgotten about my baptism day and all that I planned to do to mark the day. But O what joy when I think of the holy hour that I offered, prompted by the Holy Spirit through Mary. SHE remembered for me 🙏💕🕯️

3rd Testimony on 3 Dec 2021

Peace be with you Adeline🙏🕯️💕I received another grace on Wednesday 😊 Here's what happened...On Tuesday afternoon, my hubby and I went, took our Covid 19 booster shots. On Wednesday morning, we woke up with fever, body aches and headaches...our bodies weighed a tonne and we were moving in slow motion 😊😊😊 By around 1pm, my fever shot up to 38.5 C or maybe even higher. At around 2.30pm, I decided to offer the Holy Hour earlier (usually it's 3 to 4 pm) But this time, I had to lie flat on my back in bed🙏 I said to Our Lord that I want to offer my prayers for priests. A little after 3pm (finished FOL Rosary) I notice the extreme pain on my arm is gone. But I was still on my back...🙏as I started the Stations of the Cross. About 25 min later, I realised I am well enough to sit up and pray...and I did. Fever is gone! I completed the Stations and was about to start the last prayer, Divine Mercy Chaplet when I realised that I'm recovered...because I was feeling hungry! 😊 It was almost 4pm and I didn't have the appetite to eat the whole day! After completing the Chaplet, I happily fed myself to a meal. And I recovered in time to do the Vigil early this morning. Praise the Lord 🙏

First Testimony on 5 Nov 2021

Dear Adeline, our home was blessed by the Visit of Our Lady from 24th Oct to 2nd Nov. Many graces flowed from Her Most Pure Hands. We were able to pray together as a family every night. John, our son who has autism was able to pray the Petition from memory by the second night! In the beginning Collin (my husband) and I fumbled quite often when praying this Petition. It was quite funny remembering John's reaction. He would stop praying, look at both of us with a "let's try again" look and we'll start from the beginning. So yes, we received the grace of humour too. John has sensory issues and he was reluctant to wear things around his neck. But now he is wearing a chain bearing a Crucifix and the Miraculous Medal. Collin shares he has clarity of mind and does not worry or get frazzled

Hi Adeline and Paulette, thank you for bringing Mother Mary to Marcus's house (my son). It seems that Mother Mary has touched my son. He bought the flowers for Her; he went out with his family which he never did.

Today he said he wants to build an altar in his room and to have Mother Mary's statue. He prayed the Rosary last night. I am so happy for him and I hope he change for the best.

Thank you once again. God Bless. 🙏🕯️💕😊

I could go and on, about this message on this 9-days of Novena, it is not an end but a beginning, a new beginning to spread the Flame of Love over whoever I will meet, a soft flame, drawing and asking “Come and see, taste and see” the sweetness of Jesus love through mama Mary’s love for all mankind. Thank-You Jesus, thank you Mama Mary. Thank you for all who started this Visitation at Home, even in time of Pandemic, letting us know, we are not alone, nor abandoned, but loved and remembered by Jesus, Mary, and Joseph.

With grateful Thanks from your loving daughter and family.

I have always believed in the call of God and inviting FOL IHM to our house is not by chance. It's a call from Our Mother! Everyone in my household were very busy with our work and tend to be easily irritated with each other. Upon Mother's arrival, we all made a point to pray at our time as well as together as a family on a daily basis.

By day 3, we start to feel some peace in ourselves and also are more tolerant of each other. By the last day, we all felt a feeling of sadness as Mother is leaving. But our lives have changed now and we are still praying the FOL together and will be inviting FOL IHM for another visit in Jan.

Trust in God and Mother Mary to know what we need! Praise be to God! Helen

Mary Matthews & family received Mother Mary from November 20-29, 2021

In the midst of my pain, weakness, frustrations, discouragements, loneliness, and fear, I received an invitation to host our Sacred Mother in my home for 9 days. That is the 20th November. We prayed for our mental and spiritual healing. We also prayed for patience to see unity in our family again and that we should never give up on our children.

We know we are not alone and that Our Lady of The Immaculate Heart of Mary, our Dearest Mother is always with us during this miserable period of our lives. God has been good to us even in our worst days. And we have seen his Blessings. And as much as we want our lives to be perfect Life has a way of surprising us with unexpected and life will be OK again, we will be happy again More

than we originally planned Because that’s what you call God’s Will.

Amen.

It was on 19th Nov 2021, when Vivien George called me and I asked how are you? And Vivien responded, would you like the Flame of Love Immaculate Heart of Mary to visit your home? At that moment, I was just thinking of Mother Mary and "Our Lady responded to me that she is own her way to visit me and my family". This is how the Flame of Love of the Immaculate Heart of Mary came to my humble home.

Each one of us were facing a lot of trials and challenges in our earthly life. For me, I have been tested a lot of time in work related issues and physical trials. All these issues, I had to bear and won over because I have been so dependent on my love to the Twin Hearts of Jesus and Mary. When the Flame of Love of the Immaculate Heart of Mary Statue was at the house, I see my family

always looking forward to the prayers which strengthen our faith, and relationships.

Thank you for igniting the Flame of Love in our hearts. Your grateful catholic son.

Jesus Christ: "Always give Me new and hard sacrifices! I am sowing in your soul the germ of my graces, my holy doctrine.
Be preoccupied to cultivate it in your soul by your prayers and mortifications, by your unceasing acceptance of sacrifices. Don't forget how the fate of seeds falling on the edge of the road hurts Me. Uproot the cultivated flowers in your soul, always bring them fresh to Me. Here, in my presence, they exhale their smell. I ask of you only cut flowers, not those in flower pots. A flower in a pot cannot be agreeable to me, because a victim in such a manner draws its strength and wisdom from the earth also".

I am very happy to have had The Flame of Love Rosary at our home. I wondered at first if the whole family would join in. And they did. Things seemed to flow quite well when it came to timing of prayer and other little things. I also enjoyed some quiet time with Our Lady early in the morning. I would light the candle and pray my morning prayers in front of Her statue. It was good to have her company to pray with me to Her Son. It was very peaceful being up so early when it was still dark outside to pray with Our Dear Mother.

I wish all the families who invite Our Lady to their home, a renewed closeness to Jesus's through His Mother. Thank you to all who help in this devotion.

On the 3rd day after my prayer, I walk pass by Mary statue ...I realize Mary statue left hand holding Her heart and right hand reach out. I wonder what it means to me. A short while the words of God came to my mind.

Romans 10: 5-8

In verse 5 say a man practices righteousness must obey all the laws given by Moses (work very hard) in Old Testament. In verse 8 say practice righteousness of word of Faith that in my lips and in my heart.

I tell Mary I don't have a righteousness heart of Faith. Mary says she is willing to lend her heart to me if I ask. Thank you, Mother Mary, for lend me your heart and I will be able to preach the word of Faith through Mary's heart and out of my lips. Now I become the righteousness of God through Jesus (FOL)

Daniel and I would like to convey our grateful thanks to Our Lady of The Flame of Love for the opportunity to have the family Rosary in front of the statue on that weekend when the family celebrated Daniel's birthday. It was a favourable time to have three friends over to say the rosary together that week.

When I first heard of Our Lady of The Flame of Love Devotion, I had a quiet intention to some day have Our Blessed Mother over at our home. Our Blessed Mother knew my heart's desire and she chose the perfect dates. The weekend of my husband, Daniel's

birthday celebration. The week of Daniel's birthday on 17 Dec.

Prior to Our Blessed Mother's coming, I received a message from a friend inquiring on my interest to have Our Lady of The Flame of Love over at my home on the dates specified. Our Blessed Mother knows the best time to visit!

Thank you, Mother Mary, for everything!

Jesus said, "Why do you think that I am far away, in the heights above you? Really, I am standing right now next to you." I like these words:
The 3rd Joyful Mysteries: The Visitation. "Open our hearts, Mary, to give joyfully and without counting and in a gratuitousness of give, as you did at the visitation."

My Sharing: During this Covid-19, I felt greatly honoured that the Immaculate Heart of Mary visited my home. I am also grateful to Heavenly Father for having an opportunity sit quietly to praise and chant the Rosary for those in need. Following with Mother Mary's footstep and said: My soul glorify the Lord.

Our Lady of the Flame of Love visited our home during Christmas time. It was a beautiful time of many graces and gifts. Over the 9 days, we connected with relatives and friends whom we have missed during this time of pandemic. They came to our home on different days to pray with us the Flame of Love Rosary. Young and old poured out their needs to Our Lady through written petitions and were greatly comforted. Thank you to Our Dear Mother for Her love for us always.

On 2nd January 2022, my mum and I were blessed with the visitation of The Flame of Love Of The Immaculate Heart Of Mary to our home for a 9-Day Novena Stay from 2 -11 Jan.

My mind was still pre-occupied with the busyness of the New Year festivities, work, preparations for Mother Mary's arrival and all. That evening Mother Mary Flame of Love came and gently took everything I was holding so tightly to and directed me towards Jesus. Her comforting, motherly presence led me to have peace in surrender. During the first night, I heard a very soft gentle voice of 'Hello' whispering in my ear while I was sleeping.

The next few days my mum and I settled to our daily routine of saying the Flame of Love Rosary and Novena every evening at 6pm after my work. The week passed by peacefully, I sensed Mother Mary's warmth, graces, peace and protection throughout my home.

My mum slept very well the whole 9 days, before Mother Mary came to visit us, for a couple of weeks, she had been waking me up in the middle of the night and not sleeping well as she cannot recognize if it is night or day time. Ever since Mother Mary came to our house, my mum has been sleeping very soundly throughout the night.

Mother Mary continued to show me signs of her warmth and presence, I guess she knows how very distracted and pre-occupied I can be with all my work and stuff. One night I could smell a very sweet Rose fragrance that lingered while I was sleeping.

On another night after Mother Mary left, I smelled a very sweet whiff of Orangey scent. To our amazement and awe, the plant in my kitchen had Dew Drops on the leaves for about 2 weeks, a few days before the New Year right through to the day after Mother Mary left. The song humming in my heart was _"The Steadfast Love of the Lord never ceases, His mercies never come to an end, they are new every morning, new every morning. Great is Thy Faithfulness O Lord, great is thy faithfulness. New every morning, new every morning, great is Thy Faithfulness."

Mother Mary is gently encouraging me, giving me the confidence and courage to Rise Up to where God has created me to be. To be open to hear His voice, to be obedient to His calling, to stay close to God, to partner God, work on my relationship with God with Mother Mary's help. I can't do it on my own and I needed to learn from Mother Mary. I felt so comforted that Mother Mary is here with me. I know deep down inside my heart that she wants me to start living life in fullness and joy – God's way.

In this new year, I would like to start my life afresh, forget the past mistakes made and to live life joyfully in fullness with God, live responsibly, with courage and faithfulness to God, walking with Mother Mary. Thank you so much Mama Mary🙏🙏🙏🙏🙏

Actually, we are not familiar with IHM the Flame of Love. However, we are honored and privilege to have Our Mother in our home.

I and my wife do not have Rosary prayer together before and this is the first time we prayed the Rosary together. The presence of Our Mother gave us the peace in the family and the strength to face the future difficulties and adversities. She also reminded us that we are so blessed (spiritual and temporal) and many are still straying away spiritually from Her son.

The message we gotten is to be always faithful to Jesus and be humble by living the Gospel every moment of our life. It is impossible for us to do it by ourselves, but with Her help, it is very possible we can be like Jesus more and more everyday. That is the experience

that we encountered with Our Mother of IHM.

This is the first time we were introduced to the Novena of The Flame of Love of The Immaculate Heart of Mary.

We were very touched at the timing that we were introduced as we had many intentions to pray for. The additional words to the Hail Mary truly showed Mother Mary's love for us and the whole world.

It was a reminder of Mother Mary's role in wanting Her children to repent and pray and to always wanting Her children to stay close to Her. It was a comfort and joy when we prayed together. The difficulties and worries we had were comforted in Mother Mary's presence.

Truly a joy and a privilege to have Our Beautiful Mother in our Home!

Jesus: "I bless this house that is consecrated to My Sacred Heart!"

What a sublimed experience was this blessing He gave to our family when He stayed for long time before our house. Yet, even afterwards, He did not move. For a long time, He allowed me to feel His presence filled with goodness and majesty. As an insignificant person, really less than nothing, I felt great emotion. I could only babble : "Depart from me, O Lord, I am a great sinner." He replied

Jesus: "The debt that I owe to My Mother obliges Me. The abundant graces and My blessing which I gave to your family, I gave at her request because you live in this house and you desire to spread the Flame of Love of her heart with everylonging of your heart."

**Veronica Tan received Mother Mary
from February 2-13, 2022**

Dear Flame of Love of Immaculate Heart of Mary Family,

I welcomed the Flame of Love of The Immaculate Heart of Mary on the 2nd of February 2022 (2.2.22) and it was also the 2nd day of the Lunar New Year. So significant! I invited Our Lady, hoping for my family's conversion of heart and for us to go back to Church as a family, since the lockdown, the family backslide in worship.

I prayed alone every night because my family doesn't have a habit of doing prayers together other than attending mass together on pre-covid days. This was awkward for them. I was upset and saddened, as I sat praying the 9-day Novena alone. Midway, I was so demotivated, but I persisted. Some nights, I just sat there and cried. I was disappointed and angry.

Reading Elizabeth Kindelmann's diary, I was touched by the message of Sept 24 and Oct 18, 1963. It highlights our Lord's message that she will be "transformed and purified once she has been ground down and divinized" and our Blessed Mother telling her that she "the understood the pain, sorrow, and anguish of a mother's heart" for her children. I had anguish as a mother who can't get her kids to church, who can't get the family to say the rosary. I was mad - why like that? I felt like a failure. I began spouting words like "the Devil is at work". The tension became worse.

After the course of the 9 days, I realized the Flame of Love Novena changed ME. I, personally, had been broken and "ground down" in humility as I surrendered, looking at the face of Mother Mary every night.

I felt that the pondering of Mother Mary's gentle face gave me a hint of the kind of woman I should be. Soft, graceful and peaceful. I began to model her - and remembered her warm glow of the Flame of Love. No tension, no anxiety, no impatience. And I prayed for God's will to be done, in His time.

In the days that followed, there seemed to be a calm sense of peace that overcame me. I experienced harmony and felt a deep love from my children as they ran errands and took care of my husband and me when we were both down with Covid. I "awoke" to the revelation that where there is love, there is God; and that I should never demand things to go my way. Not Christ-like at all.

I thank God for the grace of such wonderful timing for me to receive the Flame of Love of The Immaculate Heart of Mary and am grateful for my renewed faith just by looking and contemplating this wonderful woman.

God knows what we need, more than we know it. I have to remind myself of this daily, and trust He will do what He knows best.

Let's all pray for each other and the world, and may you find the Flame warming your heart in the most beautiful and powerful ways.

Yours in Christ,
Veronica Tan

🙏🙏🙏 the beautiful Flame of Love statue had to be collected from my home on the 15th of Feb 2022.

We were so blessed to have her from the 4th of Feb. We have been praying the Flame of Love rosary for sometime now, so having the statue was a blessing and a joy. I wanted to keep her with me and my family were a little sad too.

We had set up a special place just for the Flame of Love statue apart from our existing family home altar. Therefore, we had two altars near each other and two altar lights burning. One for the family altar and one for the Flame of Love. On the 7th day of the Novena, my husband noticed a beautiful heart in the fire of the Flame of Love altar light. This had happened before in the early morning after Christmas day.

On the 14th of Feb, I noticed that our family altar light was going out slowly, but I left it because I wanted to transfer the oil from the Flame of Love altar to it when the FOL statue was gone.

The lovely couple, Andrew and Katherine, who came to collect it for transfer to another home, spent some time talking together with us before leaving. Not long after they left, we noticed that the Flame of Love altar light simply extinguishedand our family altar light was now burning brightly.

The Flame of Love of the Immaculate Heart of Mary really came to our home. Praise be to God and I believe she wants us to continue to pray as a family. God is real. God is good. Jesus is the Flame of Love of the Immaculate Heart of Mary. Praise be to God.

It was a real blessing to have our Lady's Flame of Love statue visit our home.

It was arranged so quickly and smoothly and only later did I realise Our Mother's gentle hand in arranging the visit.

My son who is in NS was coincidentally on course during that period and was home in the evenings so as a family we could say the 9-day Novena. Both my teenage kids were very moved by the messages and have adopted the saying of the Flame of Love prayer. Even my mom, who is going through health struggles found the motivation to take steps to improve her health.

I know this is all the work of our loving and gentle Mother. On the last day of the Novena, we had a beautiful sunset accompany the whole of our final novena and this made me feel like she was saying goodbye to us. I am so looking forward to having our Lady Flame of Love visit us again.

We are very grateful to have had the opportunity to host the Flame of Love devotion in our home recently - Feb 15 to Feb 24th.

We believe in the prayers and promises of this powerful devotion as another grace in our present times, given to us through the joint merciful love of Jesus and the purity and obedience of our Immaculate Heart of Mary.

We know that the Flame of Love has already begun working in our family, blinding Satan 's eyes and leading us all to conversion in ways big and small. We also feel confident that God will protect us

from the virus and indeed He has kept us safe during the period of hosting.

May all hearts be opened to hosting this wonderous devotion and may we never tire of spreading the FOL devotion to all around us.

We ask for the intercession of Elizabeth Kindelmann too.

Shalom Sister Monica,

Two years ago, my devotional prayer life had been continually slipping. I read the Bible very little, I felt as though I were reading thru' a thick fog. Then I realised how much I had fallen out of the discipline of being alone with the Lord and Mama Mary in prayer and I was completely out of the habit. As a result, I had a hard time hearing God's voice speaking to my soul.

I find praying difficult because there are so many different kinds of prayers and not sure how to pray. I don't do it very well and deep down I doubt whether prayer really works. I feel I'm not good enough to deserve an answer and I see Him as being distant and not sure I'm praying in line with His will. It requires too much of my time to be effective.

On the 27/2/22, I fall sick and my liver blood results was out of the range. Then I remembered Sister Agnes gave me a prayer on "Flame of Love". I started praying to our Blessed Mother for help. Coincidentally Brother John Tan asked my daughter-in-law whether she would like to invite Mama Mary (Flame-of-Love) to our premises. Whoa! I felt so pleased that Mama Mary is coming to our home.

After the last day of Novena to the "Flame-of-Love" I received a call from my specialist at Mt Elizabeth saying that my recent blood test result is back to the normal range.

I have been praying for my children too. Mama Mary answered my prayers for reconciling my children's relations.

Fasting is an instrument that cripples the power of spiritual and devil forces in the realm of the darkness so they cannot sustain the grip on human life, minds and circumstances and also to be set free from depression.

Lyda Bakar & Friends received Mother Mary from April 3-13, 2022

On my fifth day of the Novena to The Flame Immaculate Heart of Mary; The group were reciting the Divine Mercy Prayer and I noticed that Jesus was present in the oil glass lamp. I could see the vision so clearly of the divine mercy rays red and blue appearing so brightly and Jesus stays with us until we finished our prayer.

After which, when were reciting the Flame of Love Rosary and I noticed so many lights above the ground and then I noticed a beautiful light rose above and it was a beautiful feeling and I could feel Mother Mary's love for all of us in the house. Also, I received a message from Mother Mary to pass the Flame of light after praying the rosary. I passed the candle of the Flame of Love light (rose) to all my friends and told them to keep praying The Flame of Love Rosary and keep the faith burning throughout their lives.

I took a chance to read few pages of The Spiritual Diary of Elizabeth Kindelmann and I could relate the personal struggle which I was facing during my dark and lost period of time. Now, I am so happy that my prayer are on spiritual fire every day.

I am so thankful for Vivien George for bringing The Flame of Love Immaculate Heart of Mary to my home. Most of all, I thank my Merciful Jesus and Mother Mary, for bringing joy in my life and helping me to pray fervently again. Amen.

Testimonials from Lyda's friends:

Dearest Mama, how blessed we were that you graced us with your presence and came into our midst, praying with us and interceding for us. The awesome images of you so beautifully captured by our phones and the video, have indeed helped strengthened some of us in deepening our faith. You have answered my prayer and brought me back to your son. The immense joy and peace we felt continues to fill our hearts with such warmth and love. May our lives continue to be transformed by the graces flowing from your Flame of Love amidst our struggles. We pray with your help, to pass and spread the effect of your grace of your Flame of Love to our friends and families. We love you Mama

The account of seeing Our Lady, Flame of Love. Five of us, namely the hostess, Lyda, Janet, Monica, Sharon and myself (Christine).

Halfway through the devotion which included the Flame of Love Rosary, Our Lady slowly appeared behind the burning candle and Her Figure become larger and larger - all in white.

To me, She was smiling and could sense the love and caring atmosphere around us. Then Monica looked harder and said Our Lady is here. We all knelt down and started to ask Her to help us with our problems and also health ones. Our Lady become so real and so near to us and I could feel that she was among us. After praying and taking pictures of Our Lady. She was so clear and to me very happy. My experience is that I felt that she will answer my pleas, which She did. After coming home, I could feel the atmosphere of unity among our home. No more bickering and more tolerable towards each other.

I am very thankful to Our Lady, The Flame of Love for bringing us closer and a one-time opportunity during lent. Now, we are all very happy and I told my sister, Catherine and my children about The Flame of Love of the Immaculate Heart of Mary. I hope this account will bring The Flame of Love of the Immaculate Heart of Mary to many people and to make her known.

When I saw that everyone felt with excitement and joy when they noticed that the image of Mother Mary appeared through the flame of candle. This is what was written in the Bible. When 2 or 3 pray together I will answer your call.

Dearest Mama Mary, we were so blessed to be graced by your presence during our prayer sessions interceding for us. Beautiful images and videos of you were captured by our phones. Not only was your presence felt, your beloved son, our Lord Jesus Christ's presence was felt too during the Divine Mercy Chaplet prayer. This has brought us joy, peace, love and warmth knowing that you and Jesus are always there for us. This blissful experience I felt has indeed strengthened and deepened my faith. I am very thankful you have answered my prayers and brought me closer to your Son, Jesus. May we continue to journey pray fully with faith and trust in

you and Jesus with the graces flowing from your Flame of Love of the Immaculate Heart of Mary in our lives to spread the effect of grace of thy Flame of Love to our friends and families.

Thank you and love you, Mama Mary.

Message to Elizabeth Kindelmann - The Flame of Love of the Immaculate Heart of Mary: The Spiritual Diary, 1961-1981

Mary: "Always seek humility. Distance yourself from those who honor you." Then, the Lord spoke, "Have confidence. Always refer to the Flame of Love. The three divine persons are obligated to my Mother. All graces sought through her will be received. Her love warms the hearts of frozen souls."

At first, we did not know what the Flame of Love is about. Later when our Lady Flame of Love came to my home, I invited my sisters and grandchildren to pray the Flame of Love with us.

We felt the Love of our Motherly Love of our Lady. We are truly blessed to have the statue of Our Lady, Flame of Love in my home.

We now can evangelise and talk to others who do not know about the Flame of Love. Praise and thank God for giving us His Mother Mary."

On May 4, 1962 Jesus said:

I choose you, My little one, to be the bearer of My Divine Mercy. Fill yourself with the abundance of My Divine Mercy and when you open your mouth to speak, proclaim the mercy of My Heart burning of desire for sinners. Let your whole life be a burning desire to take part in My work of redemption through prayer, sacrifice and desires.

FOLLOW AND OBEY

How can we love God and have faith in Him if we cannot even follow His words.

Since we were children, we follow and obey our parents and the people around us. It defines who we are as people but now as matured adults we can't simply follow without uttering a word.

Jesus said "come, follow me and I will give you rest"... We need to follow the words of God through Jesus and by obeying, He will take care of the rest.

Through The Flame of Love of the Immaculate Heart of Mother Mary who followed and obeyed the will of God to be the mother of our Lord Jesus Christ, we her children need to follow in her example and obey the will of God🙏

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." John 3:16

The Flame of Love of the Immaculate Heart of Mary was and will always be here at our home...

Jesus said to Kindelmann, "My Mother is Noah's Ark," and Mary told her, "I assure you, my little one, that I have never before given into your hands such a powerful force of grace, the burning flame of the love of my heart. Ever since the Word became Flesh, I have not undertaken a greater movement than the Flame of Love of my heart who rushes to you. Until now, nothing could blind Satan as much..."

The Blessed Virgin: "If you attend a Holy Mass which is not an obligation for you, and if you are in a state of grace before God, I will spread the Flame of Love of My Heart and I will blind Satan during this time. My graces will run out abundantly on the souls for which you offer this Holy Mass. The participation in the Sacrifice of the Holy Mass increases to the highest degree the blindness of Satan." Mary: "When someone does Adoration in a spirit of atonement or pays a visit to the Blessed Sacrament, as long as it lasts, Satan loses his power on the parish souls. Blinded, he ceases to reign on souls." (Nov 6 - 7, 1962)
