**Joanne & Lim Family received Mother Mary
from August 9-25, 2021**

On 9th August 2021, I'm humbled by the visitation of FOL Mother Mary to our humble home and it is with utmost gratitude to Adeline for making this happen.

I am delighted that my hubby and youngest daughter joined me in welcoming Mother Mary to our home by praying the FOL Rosary together, it was first time for both of them praying the FOL Rosary. My eldest daughter was not at home as she was working. I have been praying for hubby's safe return from overseas, my youngest daughter's new start in Uni life and eldest daughter's work in healthcare.

Throughout the 18 days that FOL Mother Mary was in our home, I felt the sense of Peacefulness and compelled to pray the FOL Rosary every day. Due to my busy schedule, I was not able to fix my Rosary praying times and sometimes it was at mid night! Some days, after praying, I noticed my dog Kylo was observing me while I knelt before Mother Mary at the altar to say my Rosary, he was really curious, but observed from afar, as though he knows that he should not disturb me.

On the day that Mother Mary was leaving for another home, I am overjoyed that my hubby and eldest daughter was available to pray the FOL Rosary together as a Thanksgiving for Mother Mary's visitation, my eldest daughter was on off day, it was her first FOL Rosary too.

I am very thankful for this wonderful and Peaceful experience and look forward to welcoming FOL Mother Mary's visit again.

Jesus: "Look at my disfigured face and my tortured body.
Did I not suffer for souls? Believe in me and adore me." I made acts of faith
and asked never to be separated from him. After this, I felt secure.
Everything changed and I was drawn closer to him.

Vivien & family received Mother Mary from September 13-23, 2021

Thank you. Mother Mary is so beautiful. Thank you for bringing Mother Mary to my humble Home.

Where do I start! I was searching to be part of devotion group that would bring peace to my heart.

It all started on 21st August 2021, when I came across a beautiful devotion on IHM website called the "FLAME OF LOVE ROSARY". I was captivated with the whole prayer from Sign of the Cross 5 times, Unity Prayer, Hail Mary response was different from normal Hail Mary "spread the effect of grace of they flame of love over all humanity" that I recite to and other prayers were also beautiful and my calling was great. I reached out to Sister Adeline and she really captivate my heart with Elizabeth Klingemann Diary's message and this beautiful devotion.

On Aug 9 2021, I was suffering from a bad bronchitis after my second vaccination and my lungs was fill with phlegm and the doctor and team said it quite bad. And they had to use a Phlegm Suction Machine to remove my Phlegm which is a painful process which I have do every alternate week for 6 months. On 31st August, I met Sister Adeline, we had in deep conversation about The Flame of Love of the Immaculate Heart of Mary and she passed me few brochures, books and prayer cards to get me started and to understand how to proclaim this beautiful devotion The Flame of Love Immaculate Heart of Mary. I would say it was a perfect timing by the Holy Spirit, Mother Mary and Jesus to kindle my heart.

I was attended Healing Rally Devotion in Malaysia on 4th Sept and 7th Sept attended the Flame of Love Rosary and I got a message or sign that I would be heal completely and told in your next visit to you will be heal completely. I have already gone for 3 Phlegm Suction Machines and x-ray. To my doctor's surprise, my lungs were completely healed, and the x ray showed clean beautiful lungs and at that every moment, I knew the Holy Spirit and Flame of Love Immaculate Heart Mother Mary had heal me completely.

I quickly booked a mass on 8th September 2021 to give thanks on her Birthday. And then, my mission started, by saying YES (3 times) to Adeline, I will preach about the Flame of Love to the west district and to spread her FLAME OF LOVE to all who I met. As of now, Mother Mary has visited 4 homes, and all them are received healing, grace and flame of love in their hearts.

Lastly, the most beautiful event was when I took part the “2000 Flame of Love Hail Mary(s)” on 30th October 2021 represented by Singapore, UK and Philippines, it was so amazing and there are no words to describe. The Holy Spirit and Mother Mary were guiding us and praying to save souls in Purgatory and Living Souls who are our family members, friends and who are sick)

Lastly, Mother Mary is in our heart as we are her children. We only need to Ignite this Flame of Love in our hearts to Let Mother Mary to heal and love our beautiful hearts.

Amen.

Vivien also shared her testimonial of the 9 Days Novena:

On 13th September 2021, Sister Adeline brought the Flame of Love Immaculate Heart of Mary Statue to my humble home. While Adeline and I was praying the Rosary, something happened to both of us and we received the same message from the Holy Spirit. I kept this message in my humble heart during the nine days of Novena.

On 22nd September 2021, at 1 am, I will come out from my room and light up 3 candles to see her Mother Mary's beautiful face. I had a strange feeling that Mother Mary's hand was reaching out to me and saying to me, “don't lose heart my child for I am here for you and your loved ones.” I just sat the whole night just saying, “Thank you for being my Mother”, and I also remember reading from Elizabeth Kindelmann dated Nov 17, 1962 “I woke up early that morning when I heard my guardian angel saying: “The angels and the saints are looking at you with great admiration.”

He asked me to increase my profound adoration and praised for the Divine Majesty: “Because rare are those chosen to receive graces to that extent.” Upon hearing those admonitions, the burden of my sins weighted upon me. I felt so unworthy of this abundance of grace that the effect of grace of the Flame of Love of the Blessed Virgin pours out over me”.

The nine days was so fruitful, as Mother Mary's graces were pouring out to my family members and friends who have asked me to intercede on behalf of them. And then, my mission started, by saying YES (3 times) to Adeline when she asked me to join her to help Mother Mary & Jesus in this Holy Project.

Monica and family received Mother Mary from 26 September to 7 October 2021

Sis, I actually I reluctant to share just to kept it between my family but without Holy Spirit, He urged me to share and proclaimed it but what I said it true, my habits while I pray, I like to closed my eyes and focus on prayer. While I closed my eyes there, I saw a beautiful woman and Jesus and quick I open my eyes and the images disappeared that is 3rd while I saying my Novena Devotion of FOL. I thought maybe just imagination only and continue my prayer without telling my husband and my daughter.

But on 7 days Our Mother appear again and this She was alone but She wearing a white shining beautiful long dress and She smile

sweetly. After I have finished prayer, I told my husband and daughter that while we pray, I see our Mother Mary through my eyes I had been praying without fail Rosary prayer everyday.

Sometimes when I am not feeling well or busy and I can't pray the next day I will pray double and told our Mother Mary I am sorry that yesterday I am unable to pray with deepest regrettably I believe and trust Her,

She is our Mother who are always love and compassion to all Her children. (October 8, 2021)

Caren and family received Mother Mary from 26 September to 18 October 2021

I had the pleasure of receiving the visit of Our Mother - Flame of Love from the 26 September to 18 October 2021 at home with my family. Definitely a much-welcomed time to spend with Mother Mary as she continues to support each one of us in our struggles and as she can give us her grace to continue our journey ahead when we go to Her.

For me, Mother Mary's presence at home never fails to bring comfort, peace and unity and it also creates the moment that we can come to her and pray the rosary as a family and as friends all welcomed together.

During this time of FOL visit, I was also able to spend time to understand more about what is shared from the Flame of Love messages given to Elizabeth Kindelmann since 1961. I am grateful and reminded of the importance and wonder of the Holy spirit that has made the start of the Ministry of the Flame of Love at the Church of the Immaculate Heart of Mary in Singapore possible.

I am looking forward to many more conversions and testimonies through the Flame of Love from the Immaculate Heart of Mary.

May God's love and mercy prevail. May we all never lose our Hope! Great is His faithfulness.

May 14, 1962, Mother Mary said, My little Carmelite, in the silence of the night, I want to speak with you. Pay attention to what I say, but continue to rest. You know how my heart is immensely in pain. Satan is sweeping souls away in a terrifying way. Why do you not all try your best to stop him and do it as soon as possible? I need your help. My heart is burning with sorrow because I see how many souls are being damned. Many are dragged away in spite of their good will. With a sarcastic smile, the Evil One extends his arms, and with terrible malice, he drags away those from my Divine Son suffered unspeakable torments and death. Please, help!"

The Lord Jesus flooded me with extraordinary sufferings. I was bent over when I walked, and a fear of death took hold of me. The Lord said, "Do not grow tired of these sufferings." Gradually, the sufferings lessened and the Lord said, "Suffer with a smile. Let no one know and let no one see. This is our secret." At that moment, I felt as if my soul separated from my body. Many times, the Lord said, "Sorrow for your sins produces bank interest here on earth." A light bathed my soul in indescribable happiness. His longing for souls burned with a fire that constantly grew within me.

2nd Testimony on 30 Nov 2021

Dear Adeline, good morning☀️I just want to share this tremendous grace which I received on 29 Nov. If I keep it to myself, my heart will burst I think😊I was baptised on 29 Nov 1991. So, this year is my 30th "anniversary". I wanted to remember the day with a special devotion. However, I was so caught up with the 2000 Hail Mary's on Saturday and so filled with joy (even now💕) I totally forgot about 29th Nov. The grace that I received was this. I woke up unexpectedly at 2.45 AM on 29th Nov. And ever since I started praying the FOL Rosary, I make it a point to pray whenever I wake up unexpectedly at night. It's my cue that Our Lady wants me to pray🙏So at 2.45 AM on 29th Nov, I decided to offer a holy hour. I prayed the Stations of the Cross, the Divine Mercy Chaplet and ended with FOL Rosary - Joyful Mysteries. I finished a little after 4 AM and went back to sleep🙏 So 29th came and went. But yesterday (30th), it finally dawns on me that I have totally forgotten about my baptism day and all that I planned to do to mark the day. But O what joy when I think of the holy hour that I offered, prompted by the Holy Spirit through Mary. SHE remembered for me 🙏💕🕯️

3rd Testimony on 3 Dec 2021

Peace be with you Adeline🙏🕯️💕I received another grace on Wednesday 😊 Here's what happened...On Tuesday afternoon, my hubby and I went, took our Covid 19 booster shots. On Wednesday morning, we woke up with fever, body aches and headaches...our bodies weighed a tonne and we were moving in slow motion 😊😊😊 By around 1pm, my fever shot up to 38.5 C or maybe even higher. At around 2.30pm, I decided to offer the Holy Hour earlier (usually it's 3 to 4 pm) But this time, I had to lie flat on my back in bed🙏 I said to Our Lord that I want to offer my prayers for priests. A little after 3pm (finished FOL Rosary) I notice the extreme pain on my arm is gone. But I was still on my back...🙏as I started the Stations of the Cross. About 25 min later, I realised I am well enough to sit up and pray...and I did. Fever is gone! I completed the Stations and was about to start the last prayer, Divine Mercy Chaplet when I realised that I'm recovered...because I was feeling hungry! 😊 It was almost 4pm and I didn't have the appetite to eat the whole day! After completing the Chaplet, I happily fed myself to a meal. And I recovered in time to do the Vigil early this morning. Praise the Lord 🙏

First Testimony on 5 Nov 2021

Dear Adeline, our home was blessed by the Visit of Our Lady from 24th Oct to 2nd Nov. Many graces flowed from Her Most Pure Hands. We were able to pray together as a family every night. John, our son who has autism was able to pray the Petition from memory by the second night! In the beginning Collin (my husband) and I fumbled quite often when praying this Petition. It was quite funny remembering John's reaction. He would stop praying, look at both of us with a "let's try again" look and we'll start from the beginning. So yes, we received the grace of humour too. John has sensory issues and he was reluctant to wear things around his neck. But now he is wearing a chain bearing a Crucifix and the Miraculous Medal. Collin shares he has clarity of mind and does not worry or get frazzled

when confronted with problems or obstacles. As for myself, I feel deep joy in my heart that comes from Hope. May the Flame of Love of the Immaculate Heart of Mary reach every family and every heart 🙏🕯️💕

Hi Adeline and Paulette, thank you for bringing Mother Mary to Marcus's house (my son). It seems that Mother Mary has touched my son. He bought the flowers for Her; he went out with his family which he never did.

Today he said he wants to build an altar in his room and to have Mother Mary's statue. He prayed the Rosary last night. I am so happy for him and I hope he change for the best.

Thank you once again. God Bless. 🙏🕯️💕😊

Margaret

Let there be at least two or three, because my Divine Son is present where two or three are gathered. Start by making the Sign of the Cross five times offering yourselves to the Eternal Father through the wounds of my Divine Son. Do the same at the conclusion. Sign yourselves this way when you get up and when you go to bed, and during the day. This will bring our closer to the Eternal Father through my Divine Son, Filling your heart with grace."

After the MG retreat, sister Vivien asked us whether we want to invite the statute of The Flame of Love of the Immaculate Heart of Mary to our home. We said Yes. Through the Novena we felt the calling of God to be His instruments to spread FOL. We pray for steadfast love, courage and faithfulness guided by the Holy Spirit in this mission.

Thanksgiving testimony during the 9 days of Novena, Oct 29 to Nov 6, 2021, Andrew and I experienced peace and refreshed during the Holy Hour praying with the 'new Rosary' in the morning. It was disciplined and structured.

Normally our daily morning prayer is rather short. Before we sleep, we pray the Divine mercy and Rosary and family prayers. It can be challenging as we are tired by then. During the FOL Novena, we prayed for courage and obedience to follow God's will. His confirmation came when we were asked to gather petitions from the participants during the 33 days retreat to the Morning Glory. This

Having been introduced to The Flame of Love devotion, I feel its a calling. Not everyone will take to it. We don't question when it involves Our Mother Mary and Jesus.

At the marriage feast in Cana, Mary asked Jesus to help the couple, He said it was not His time and yet She told the servants to do as He says. It was a "gentle" command from Mother to Son. Jesus never said 'no' to Mary. Therefore, when we pray The Flame of Love, we pray to the 2 hearts that are bonded in love and that love envelop us too, when with we pray with all our hearts. Trust in Mary, for She will intercede for us and through Her Flame of Love for us, Jesus hears.

Dearest Mama Mary and Lord Jesus, I have been requested by You to save souls. Whenever, I pray the Prayer Card, you beseech us to “help you to save souls”. It is a moment, of wonderment for me, and having “The Flame of Love of the Immaculate Heart of Mary” to visit our home is a joy, though, there are disappointments during this 9-days of Novena, it has overshadowed by the peace and love that transcend in our Family.

We may disagree, and exchanged words of anger, but “Mother”, you have pull us back together again and gel us as a Family. What can I say? Such graces decent upon the family when you grace us with Your presence. With the prayers, we united as a Family.

In the expects from the Spiritual Diary of Elizabeth Kindlemann on page 79, December 6, 1964, “Virgin “Mary said: We will put out fire with Fire” and said that “United with You, I will perform a miracle that the scientist of the world will try to imitate to no avail, being completely beyond their power.” Only the wisdom of pure and God loving souls will be able to understand that, as they possess God and His infinite secrets. Yes, my little one, we will put out the fire with fire: the fire of hated with the fire of love.

I could go and on, about this message on this 9-days of Novena, it is not an end but a beginning, a new beginning to spread the Flame of Love over whoever I will meet, a soft flame, drawing and asking “Come and see, taste and see” the sweetness of Jesus love through mama Mary’s love for all mankind. Thank-You Jesus, thank you Mama Mary. Thank you for all who started this Visitation at Home, even in time of Pandemic, letting us know, we are not alone, nor abandoned, but loved and remembered by Jesus, Mary, and Joseph.

With grateful Thanks from your loving daughter and family.

I have always believed in the call of God and inviting FOL IHM to our house is not by chance. It's a call from Our Mother! Everyone in my household were very busy with our work and tend to be easily irritated with each other. Upon Mother's arrival, we all made a point to pray at our time as well as together as a family on a daily basis.

By day 3, we start to feel some peace in ourselves and also are more tolerant of each other. By the last day, we all felt a feeling of sadness as Mother is leaving. But our lives have changed now and we are still praying the FOL together and will be inviting FOL IHM for another visit in Jan.

Trust in God and Mother Mary to know what we need! Praise be to God! Helen

Mary Matthews & family received Mother Mary from November 20-29, 2021

In the midst of my pain, weakness, frustrations, discouragements, loneliness, and fear, I received an invitation to host our Sacred Mother in my home for 9 days. That is the 20th November. We prayed for our mental and spiritual healing. We also prayed for patience to see unity in our family again and that we should never give up on our children.

We know we are not alone and that Our Lady of The Immaculate Heart of Mary, our Dearest Mother is always with us during this miserable period of our lives. God has been good to us even in our worst days. And we have seen his Blessings. And as much as we want our lives to be perfect Life has a way of surprising us with unexpected and life will be OK again, we will be happy again More

than we originally planned Because that’s what you call God’s Will.

Amen.

Benedict & family received Mother Mary from November 21-30, 2021

It was on 19th Nov 2021, when Vivien George called me and I asked how are you? And Vivien responded, would you like the Flame of Love Immaculate Heart of Mary to visit your home? At that moment, I was just thinking of Mother Mary and "Our Lady responded to me that she is own her way to visit me and my family". This is how the Flame of Love of the Immaculate Heart of Mary came to my humble home.

Each one of us were facing a lot of trials and challenges in our earthly life. For me, I have been tested a lot of time in work related issues and physical trials. All these issues, I had to bear and won over because I have been so dependent on my love to the Twin Hearts of Jesus and Mary. When the Flame of Love of the Immaculate Heart of Mary Statue was at the house, I see my family

always looking forward to the prayers which strengthen our faith, and relationships.

Thank you for igniting the Flame of Love in our hearts. Your grateful catholic son.

Jesus said, "Why do you think that I am far away, in the heights above you? Really, I am standing right now next to you." While the Lord Jesus was talking, through these waves of special feelings, my soul experienced the Blessed Virgin with her captivating love, saying to the Lord Jesus, "She is my special one, also." On April 13 1962, the Virgin Mary said: "Take this Flame, my daughter, you are the first one I am handing it to. It is the Flame of Love of my heart. Ignite your own heart with it and then pass it on to others."

I like these words:
The 3rd Joyful Mysteries: The Visitation. "Open our hearts, Mary, to give joyfully and without counting and in a gratuitousness of give, as you did at the visitation."

My Sharing: During this Covid-19, I felt greatly honoured that the Immaculate Heart of Mary visited my home. I am also grateful to Heavenly Father for having an opportunity sit quietly to praise and chant the Rosary for those in need. Following with Mother Mary's footstep and said: My soul glorify the Lord.

Our Lady of the Flame of Love visited our home during Christmas time. It was a beautiful time of many graces and gifts. Over the 9 days, we connected with relatives and friends whom we have missed during this time of pandemic. They came to our home on different days to pray with us the Flame of Love Rosary. Young and old poured out their needs to Our Lady through written petitions and were greatly comforted. Thank you to Our Dear Mother for Her love for us always.

On 2nd January 2022, my mum and I were blessed with the visitation of The Flame of Love Of The Immaculate Heart Of Mary to our home for a 9-Day Novena Stay from 2 -11 Jan.

My mind was still pre-occupied with the busyness of the New Year festivities, work, preparations for Mother Mary’s arrival and all. That evening Mother Mary Flame of Love came and gently took everything I was holding so tightly to and directed me towards Jesus. Her comforting, motherly presence led me to have peace in surrender. During the first night, I heard a very soft gentle voice of ‘Hello’ whispering in my ear while I was sleeping.

The next few days my mum and I settled to our daily routine of saying the Flame of Love Rosary and Novena every evening at 6pm after my work. The week passed by peacefully, I sensed Mother Mary’s warmth, graces, peace and protection throughout my home.

My mum slept very well the whole 9 days, before Mother Mary came to visit us, for a couple of weeks, she had been waking me up in the middle of the night and not sleeping well as she cannot recognize if it is night or day time. Ever since Mother Mary came to our house, my mum has been sleeping very soundly throughout the night.

Mother Mary continued to show me signs of her warmth and presence, I guess she knows how very distracted and pre-occupied I can be with all my work and stuff. One night I could smell a very sweet Rose fragrance that lingered while I was sleeping.

On another night after Mother Mary left, I smelled a very sweet whiff of Orangey scent. To our amazement and awe, the plant in my kitchen had Dew Drops on the leaves for about 2 weeks, a few days before the New Year right through to the day after Mother Mary left. The song humming in my heart was _"The Steadfast Love of the Lord never ceases, His mercies never come to an end, they are new every morning, new every morning. Great is Thy Faithfulness O Lord, great is thy faithfulness. New every morning, new every morning, great is Thy Faithfulness."

Mother Mary is gently encouraging me, giving me the confidence and courage to Rise Up to where God has created me to be. To be open to hear His voice, to be obedient to His calling, to stay close to God, to partner God, work on my relationship with God with Mother Mary’s help. I can’t do it on my own and I needed to learn from Mother Mary. I felt so comforted that Mother Mary is here with me. I know deep down inside my heart that she wants me to start living life in fullness and joy – God’s way.

In this new year, I would like to start my life afresh, forget the past mistakes made and to live life joyfully in fullness with God, live responsibly, with courage and faithfulness to God, walking with Mother Mary. Thank you so much Mama Mary🙏🙏🙏🙏🙏🙏

“On Tuesday, make spiritual communions for each member of the family. Offer each person, one by one, to Our Dear Mother. She will take them under her protection. Offer night prayer for them. . . You must be responsible for your family, leading them to Me, each in his own particular way. Ask for My graces on their behalf unceasingly.”

from January 5-14, 2022

Actually, we are not familiar with IHM the Flame of Love. However, we are honored and privilege to have Our Mother in our home.

I and my wife do not have Rosary prayer together before and this is the first time we prayed the Rosary together. The presence of Our Mother gave us the peace in the family and the strength to face the future difficulties and adversities. She also reminded us that we are so blessed (spiritual and temporal) and many are still straying away spiritually from Her son.

The message we gotten is to be always faithful to Jesus and be humble by living the Gospel every moment of our life. It is impossible for us to do it by ourselves, but with Her help, it is very possible we can be like Jesus more and more everyday. That is the experience

that we encountered with Our Mother of IHM.

Alan & Margaret received Mother Mary from 6-15 January 2022

We wish to thank Andrew and Katherine for inviting OUR LADY FLAME of LOVE into our house. We had nine prayerful days and invited friends and relatives to pray with us but most importantly we managed to get our son a laxed CATHOLIC to pray with us. He was our first guest to pray after a long long time. It meant a lot to us, praying as a family with my son. Thank you Mother Mary for making this possible
